- **Growing Project for Growing Hope Globally:** We're making progress in raising funds to help people grow more and better food in the Western Highlands of Guatemala! Please note, **this program is in the 1st year of a 5 year phase**, which is why we don't have personal impact stories to share yet. The impact of the Growing Project will increase household income: families can send their children to school, cover medical expenses, expand their farming operation, invest in their communities, etc. There will be dignity: no need to migrate away from home, advocating for their rights, and gender equality. The Project will strengthen food security by giving access to nutritious foods, increase farm yields, thereby having healthier families. Climate adaptation will breed resiliency. There will be a sharing of knowledge within and across communities. Please consider donating to this worthy cause!

- The **Lost and Found box** is **getting full**! We have **6** drink containers, eye glasses, hats and more! The box is located by the coat rack in the Narthex. Please stop by to take a look to see if any of the items are yours.
- If you are interested in **signing up to participate in the church service**, there are sign up sheets in the Worship Assistant Book on the podium by Java Junction. There are open spots for **Acolyte, Lector, Communion Assistant, Usher, Video Technician, and Flower Donations**.
